

# CAN WELDING WIRE

## DESCRIPTION:

Produced to meet customer specifications, our Can Welding Wire completes our product portfolio. This product provides the canned goods industry with the crucial electrical conductor needed to make 3-piece food and aerosol cans. We inventory a variety of sizes to offer customers a quick turnaround; we also offer our Can Wire customers a tolling program to provide them with a closed loop system for their copper.

## FEATURES & CHARACTERISTICS

Meets customer wire specifications

Variety of sizes stocked for convenience

Delivered in a reusable box used for recapturing chops generated in the can-making process

Quick turnaround

## APPLICATIONS

3-piece can welding process
